

# 8333

██████████ (b. 19██, ██████████, ███), 8333, showcases work from the current series Cycle 0b1 (binary for one) in the artist's signature minimalist pop style. The work explores themes of connection and isolation through pictograms rendered with precision, emotion, and sophistication.

Born in 19██ at ██████████, 8333 earned a ███ in ██████████ from the ██████████ ██████████ ██████████. When first arriving in Los Angeles in the mid-2000s, 8333 worked in the ██████████ industry. With a background in ██████████ art, 8333 has become known as a contemporary pop artist who fuses crafts and thought processes from other disciplines with popular culture to make a distinct satirical statement.

8333, is a Chicago native that lives and works in the Los Angeles area.
